

EXPERIENCE SERIES™  
**820 Line**

#### **BASIC ESSENTIALS**

The 820 Line provides all the essential features with a premium feel and better value entertainment options.

# TRM 823

## Treadmill

Like every piece of equipment in our Experience Series™ 820 Line, the TRM 823 adds value to your facility by combining essential reliability and ease-of-use with a feeling that's more like running outside. The 820 Line is our most affordable and whether on its own or alongside the rest of the Experience Series™ cardio equipment, the 820 Line offers the essential features with a premium feel.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

**PRECOR®**

High style meets a low-impact workout in the TRM 823 treadmill. As with all Precor® treadmills, it comes standard with Integrated Footplant Technology™ (IFT) and Ground Effects® Impact Control (GFX). With the TRM 823, users are ensured a dynamic and rewarding workout.

## PRODUCT HIGHLIGHTS

- 1 Console**  
The streamlined console of the P20 console provides all the essential features with a premium feel and better value entertainment options, ensuring users a rewarding workout that complements active lifestyles.
- 2 Heart Rate Monitoring**  
Easy to use handgrip sensors and telemetry monitor heart rate during workouts, helping users stay in an aerobic workout zone so they can optimize fat burn and improve cardio fitness.
- 3 Integrated Footplant Technology™**  
Our patented belt system adjusts belt velocity 100 times per second to match natural changes in foot speed, producing a smooth, rhythmic stride and reducing the jarring impact that can stress joints and cause injuries.
- 4 Ground Effects® Impact Control System**  
Reducing fatigue and helping users maintain even speed, our patented system combines ideal cushioning where feet land and vital stability where they push off.
