

This addendum accompanies your equipment documentation and is additional information concerning the heart rate features for your equipment and console.

Important

*The heart rate features are intended for reference only. They may not be accurate for every user or at every speed and are not intended for use as a medical device. Holding the heart rate handle touch sensor while exercising at higher intensity may also decrease accuracy of the heart rate reading and is not recommended. Please also read your product documentation and visit:
www.precor.com/en-us/customer-service/faq.*
