

THE
ONE

PERSONAL SOLUTIONS

THE ONE

The One is a single station, wall-mounted unit ideal for 1:1 personal training. It can be easily augmented with storage and additional training accessories as needs increase. The One is ideally suited for smaller fitness studios or dedicated personal training areas within a larger facility. As the popularity of training on the Queenax One increases, it can easily be expanded by adding other Queenax accessories or structures.

*Training accessories sold separately.
